

RED CARD

Authorisation to stop or suspend work

I, the undersigned, declare that I take full responsibility for suspending or stopping work when I consider that a dangerous condition is present and threatening my colleague, the environment and myself.

Droit à un travail sécurisé

Every employee has the right to safe work, safe working condition and an understanding of the risks associated with their work. Any employee is convinced that his work represents a danger or that the working conditions are not sufficiently safe is entitled to STOP or SUSPEND his activity, and may refuse to perform their duties without fear of reprisals from their hierarchy or their co-workers.
